The Insider Outsider

How to be one.....

- Infiltrate the system you know, free people
- Navigate system chameleon style
- Change the starting point e.g. crazy about people and children
- Start with Aspiration

How to be one.....

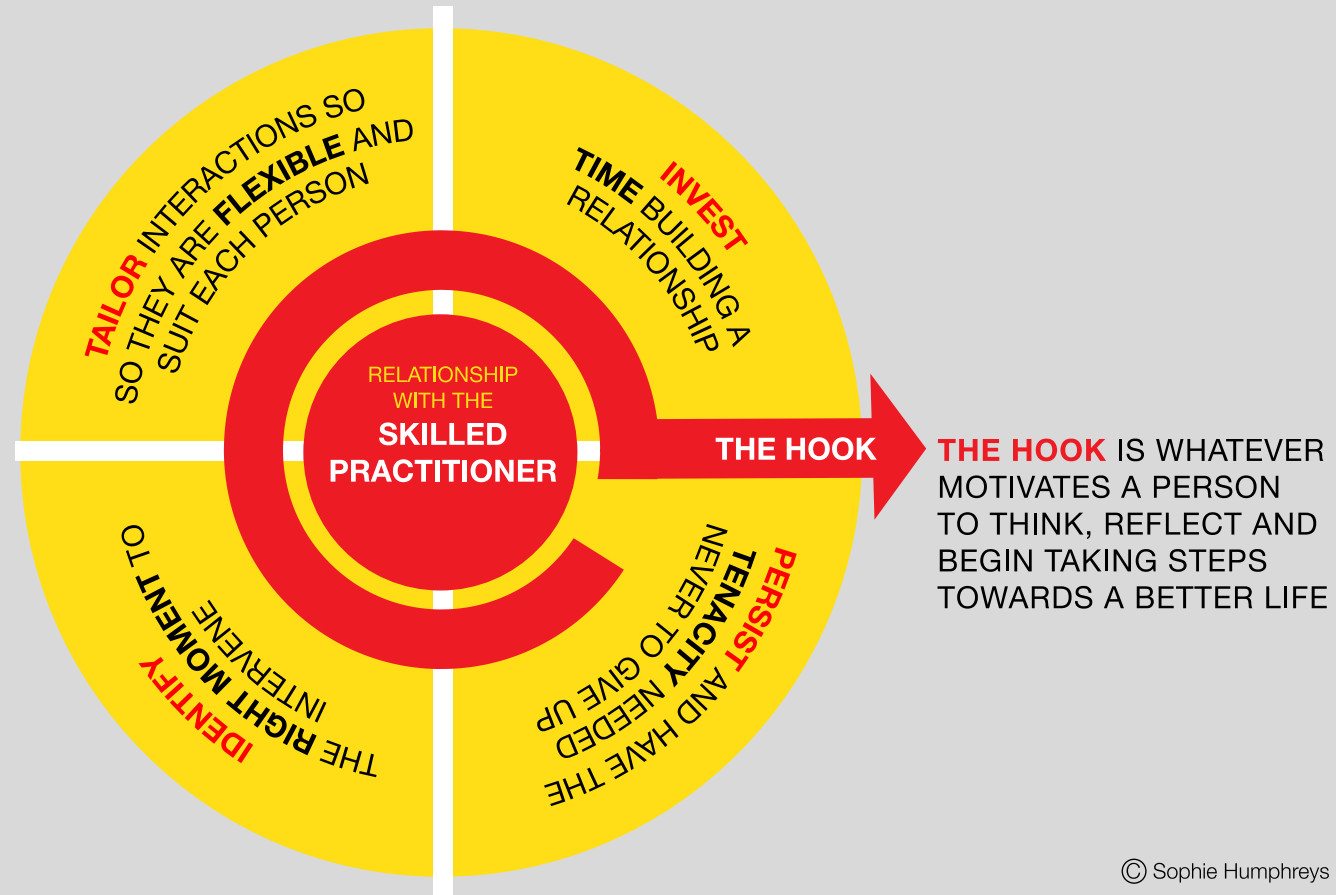

- Strategy for change, structural and cultural simultaneously e.g. Breaking Cycles
- Find the hook for everyone
- Its ok to feel
- Permeable membranes rather than rigid boundaries
- Show not tell – modelling across the system

Recipe for success

- **Clearly articulated problem** to solve
 - Clear evidence based solution
 - Branding
 - Describe it in a sentence
 - Cost benefit
- **Great people** to solve it
- **Context that enables** them to do it
